

<b>Document</b>	QAP_02
<b>Revision</b>	1
<b>Subject</b>	Records Retention

**RECORDS RETENTION:**

Seller shall maintain records of manufacturing and traceability of the materials used in the fabrication of the parts, sub-assemblies or assemblies produced in fulfillment of this purchase order. This also includes records of tractability for distributed parts. These records shall be maintained by the seller for a period not less than ten (10) years after completion of the purchase order unless otherwise specified by the purchase order or contract. These records shall be legible and easily accessed if necessary. They shall also be made available for review by authorize InterLnX personnel upon request.
