

Document	QAP_06
Revision	1
Subject	Safety Data Sheet / GHS Labelling

Safety Data Sheet (SDS):

Upon the first shipment of any articles that are comprised of hazardous materials, the seller shall supply a copy of the applicable SDS. If the SDS is stored digitally on the InterLnX server, no SDS is required. Please contact your buyer for clarification.

All articles received against the InterLnX PO must be labelled in accordance with The Globally Harmonized System for hazard identification.
